

TRADER SAM'S

Aloha, ahoy, aha!

Welcome to the mystery, romance and adventure of Trader Sam's Grog Grotto ...you lucky people, you.

Many years ago, legendary explorer Trader Sam was bitten by the bartending bug (initially we thought it was just a big mosquito).

Sam set sail and searched the Amazon, Congo, Vulcania, Polynesia, and every exotic locale in-between for ingredients to mix into these magical libations. Along the way, collecting many of the items you see around you - souvenirs and gifts from all over the globe.

Upon landing here, on the shores of the Seven Seas Lagoon, our seafaring friend established this happy hideaway for all to enjoy.

So welcome aboard... ashore... or wherever you are! Cheers! Cowabunga! Tulleeho! Kanpai! Suck 'em up! Kungaloosh! And above all, relax and enjoy the time you spend with us here at the world-famous Trader Sam's Grog Grotto.
